PROPOSAL #	WATERSHED MANAGEMENT AREA	BASIN #	PROPOSAL TITLE	APPLICANT	PARTNERS / SUPPORTERS	PROP 13 \$	TOTAL \$	STAFF CONTACTS	STAFF REVIEWERS	SCORE	RANK	COMMENTS
153	all (& Regions 3, 4 & 8)	all	Regional Wetlands & Watershed Management Plan for Coastal So Cal	Environment Now	SoCal Wetlands Recovery Project, Coastal Conservancy, San Elijo Lagoon Conservancy, NOAA (& others outside SD region)	~608K	~992K	Alpert	Posthumus, Ledford	100	1	Covers all of San Diego, Santa Ana, and Los Angeles regions and southernmost part of Central Coast region (25 hydrologic units). Many important and vulnerable wetlands in project area. Substantial ongoing and anticipated development activity.
349	San Juan, Penasquitos / Mission Bay, & San Diego Bay (& Regions 4&8)	1, 6 & 8	GIS Watershed Data Management Project	California CoastKeeper	Orange County Coast Keeper, SD BayKeeper, SCCWRP, SoCal Marine Institute (& others outside SD region)	~103K	~181K	Peters, Alpert, Quach, Posthumus	Morris, Schwall	xx	xx	Multi-region proposal. Santa Ana RWQCB taking lead.
226	San Juan	1.13 (portion)	Wood Canyon Stream Stabilization & Restoration Plan	Co Orange	COE, DFG, USFWS	500K	1,500K	Lair	Morris, Schwall	79	15	Proposal: 1) modify detention basin, 2) restore tributary, 3) remove non-native plants. Aliso Creek Watershed Management Study. Good narrative targets. Root causes: Habitat restoration, creekbed restoration. No education. All Watershed Protection Program "implementation" proposals were assigned a priority score of zero so that watershed plans would be funded this year.
24	San Juan	1	Dairy Fork Biofiltration Basin in Aliso Creek Watershed	Co Orange	Cities Mission Viejo, Lake Forest, Laguna Hills, Laguna Woods, Laguna Beach, Laguna Niguel	215K	430K	Lair	Morris, Schwall	78	16	Creek restoration and culvert removal included. Large rock filter. Aliso Creek Watershed management Study. 6 cities and orange county participate. No education. Numeric targets. Root causes addressed: some habitat restoration. All Watershed Protection Program "implementation" proposals were assigned a priority score of zero so that watershed plans would be funded this year. Also applied under Nonpoint Source Pollution Control Program.
104	San Juan	1	Munger Storm Drain Filtration Basin in Aliso Creek Watershed	Co Orange	Cities Mission Viejo, Lake Forest, Laguna Hills, Laguna Woods, Laguna Beach, Laguna Niguel	~204K	409K	Lair	Morris, Schwall	71	20	Sand Filters. No restoration or public education. City Mission Viejo, Lake forest, Laguna Hills, Laguna Woods, Laguna Beach, Laguna Niguel, Orange county. Numeric targets. All Watershed Protection Program "implementation" proposals were assigned a priority score of zero so that watershed plans would be funded this year. Also applied under Nonpoint Source Pollution Control Program.
